PROFESSIONAL EXPERIENCE

Silly Pickles

Remote

Data Analytics & Engineering Intern

June 2026 – August 2026

- Built an automated P&L dashboard pipeline for a 600+ league sports-league business, engineering a Google Apps Script that syncs league data daily, auto-computes cost and capacity metrics, and alerts stakeholders to new leagues.
- Combined messy data from several spreadsheets into one clean, organized dataset, standardizing names, locations, and seasons so leagues and locations could be tracked over time
- Applied marketing-analytics concepts (CAC, ROAS, Meta Phase 0/1 attribution) to connect league economics with paid-acquisition performance.

Indiana University

Bloomington, IN

Teachers Assistant

August 2025 - December 2025 | August 2026 - Present

- Facilitated weekly data science lab sessions, guiding students through Python programming, exercises, and conceptual problem-solving while fostering understanding of key data science principles and practical applications.
- Collaborated closely with students and faculty to clarify technical coursework, provide timely feedback, and coordinate lesson preparation, grading, and office hours, ensuring a supportive and well-organized learning environment.

Indiana University Auditorium (Manager)

Bloomington, IN

Senior Clerk

August 2024 - Present

- Resolve customer inquiries and ticketing issues, providing timely and effective solutions to enhance overall experience.
- Operate Archtics software accurately to manage daily ticketing tasks, track sales, and support smooth operations.
- Demonstrate strong communication, problem-solving, and decision-making skills in addressing customer concerns.

CAMPUS INVOLVEMENT AND LEADERSHIP ACTIVITIES

Alpha Delta Pi – Beta Alpha Chapter

Bloomington, IN

Recruitment Analyst

October 2025 - Present

- Analyze recruitment evaluation data to guide advancement decisions for potential new members, combining quantitative ratings and qualitative feedback to assess candidate fit.
- Utilize Campus Director, MyVote, Zoom, Microsoft Excel, and R to manage and document data-driven workflows.
- Lead and coordinate a recruitment analysis team, delegating tasks, managing timelines, and collaborating with executive board members and advisors to ensure accurate and timely decision-making.

Volunteerism - Ronald McDonald House

January 2025 – Present

- Provide hands-on support to families in need and gain meaningful insight into the impact of community-based care.

Indiana University

Bloomington, IN

Machine Learning for All

August 2025 - Present

- Explore emerging machine-learning concepts and techniques through a cross-disciplinary peer learning group while engaging with faculty to learn about research projects and growth/opportunity in the technology space.

Women's Club Basketball Team Member | Women's Club Flag Football Team Member

August 2024 - Present

- Compete on a team, fostering teamwork, discipline, and leadership through regular practices and games.
